Please Pray for:

- > more souls to be saved
- > doors to be opened to hear about our ministry
- > financial support - 100% by 12/31/05
- > Samantha's upcoming surgeries
- > safety on the road

Greetings from the Markeys in the name of our Lord & Saviour Jesus Christ!

Still on the deputation trail. God has allowed us to put many more miles on our car safely and we know it has been HIM. We used to have a painting of a mountain man looking out over the vast countryside called, "still miles to go". That fits us now. I'm praying God will raise our support level to 100% by years end, so I can raise money for upcoming projects.

Over a couple of months I wondered if I should have taken this part time job. I have prayed about it and felt the Lord saying o.k. Well God has allowed me to lead 1 lady and 2 men, who worked there, to Him. I'd say that was confirmation - 3 lives changed and their eyes open to the Gospel of Jesus Christ. One man I had to go 4 times till I found him home. (Romans 8:28)

The deputation road was between part-time work, 3 back to back missions conferences, other church visits, and a short family trip in the middle to keep us very busy. Our support level has raised a little as we look for the Lord to do some "great and mighty things which thou knowest not" this year.

Due to some medical things Dotty has not been able to travel with me as much as when we started deputation. I miss her, but understand the way it has to be.

Samantha has developed a major sinus problem from the surgeries and is waiting to start some more surgical adjustments on her nose. She needs our prayers.

Amanda is now working on her summer school classes. She is still expecting to graduate 1 year early. She will be home for about 1 month in July. We're looking forward to that time.

In April, we attended IBOM's mission conference in Asheville, NC at our home church, Georgetown Baptist Church. It's amazing to me that God has allowed us to be a small part of what He is doing in other parts of the world. Also to allow me to be associated with such great men of God like Dr. Runion and all of our missionaries. It was exciting to hear the reports from all of our six countries and the USA. Churches and bible colleges being raised to the glory of God. This spring we have released 4 churches that are now self-supporting - this system that God has developed really works - nationals teaching nationals.

While at Georgetown, we got to witness Morris Sherlin and Arnold Worley's ordination service. Brother Sherlin is IBOM's missionary to Hayre, Montana, planting a church there this year. Brother Worley has the ministry "Transporters for Jesus", moving God's men anywhere.

Thank you to the new churches that have partnered with us in God's helps ministry. Thank you each one who prays for us, we don't take that for granted, we are humbled. You all have blessed our lives somehow - THANK YOU.

Serving God by holding up
others hands,
The Markeys
