

The Staten Family Missionary Church Planters in Wyoming

December 2001

Dear Praying Friends,

Greetings and prayers from the great state of Wyoming. We hope and pray that all is well with you and the ministries there. The Lord has truly blessed us.

Ministry News:

We praise the Lord that a young Indian boy named Thor was saved. Thor is a therapeutic foster child which means he has behavioral and emotional problems. His regular foster parents had to go out of town and he stayed with a family that visits our church. He came to three services and our Thanksgiving dinner. On Sunday afternoon after the morning service he told the lady he was staying with that he wanted to get saved. We thank the Lord that Thor repented of his sins and asked the Lord Jesus Christ to save him. Please pray for his regular foster parents. They are not saved and currently will not allow him to attend the services. Thor told them that since he trusted Christ that all of his anger and rage was gone. The lady that plays our piano, Jean Ross, has a degenerative eye disease and had to have laser eye surgery this month. She is an older woman and needs your prayers. Also Les Lindwurm, an older man in the church, is having severe health problems and would appreciate your prayers. We have had several visitors this month. Please pray for a young man named Chad who has visited the work. He just moved to Lander from Laramie and is having a hard time finding a job. Please pray for us as we endeavor to take the gospel to Lander. There are so many people who have never heard a clear presentation of the gospel of Jesus Christ. We are hoping to mail out some gospel literature to every house in our area and place some information in our county's newspaper also. We have tracts available for free, but the postage and newspaper fees will be pretty expensive. If you would like to send a special one-time gift to help us with this please designate it Staten Evangelistic Fund. We hope to reach over 10,000 people with the mail-outs and almost 35,000 with the newspaper advertisements. Please help us pray that we can get this accomplished by March 2002.

Family News:

Dana and the girls are doing fine. Julianne had bronchitis and an earache, but she is feeling better now. We have had more snow and very cold weather. The Lord has truly blessed us during the year 2001. Thank you very much for your faithful prayers and financial support. May the Lord truly bless you and use you in His service in the year 2002.

Thank you again for all of your prayers and financial support of \$ 50 for December!
